LEDtube High Output

The right LEDtube for **high light output** with the best lm/w

Whatever your lighting application, the Philips MASTER LEDtube portfolio has the right LEDtube for you.

With a high lumen output of 2100 lm to 3100 lm, our High Output LEDtubes provide brilliant light quality with the best lumen per watt. A simple switch that comes in a choice of three lengths and color temperatures, with the option of rotating end-caps.

The right choice for the high street, supermarkets, DIY and industrial applications.
